Seeking financial support is still considered to be a tough task for entrepreneurs. In order to streamline the processes involved in this, and in order to bring more clarity on the subject -- the Reserve Bank of India has set up guidelines for financial banks for lending loans to Small and Medium Enterprises in the country.

1. Disposal of Applications

All loan applications for SSI up to a credit limit of Rs.. 25,000/- should be disposed of within 2 weeks and those up to Rs.. 5 lakh within 4 weeks, provided the loan applications are complete in all respects and accompanied by a 'check list'.

2 Collaterals

The limit for all SSI borrowal accounts for obtaining collateral security is Rs. 5 lakh. Banks, on the basis of good track record and financial position of the SSI units, may increase the limit of dispensation of collateral requirement for loans up to Rs..25 lakh (with the approval of the appropriate authority).

3. Composite loan

A composite loan limit of Rs..1 crore can be sanctioned by banks to enable the SSI entrepreneurs to avail of their working capital and term loan requirement through Single Window.

4. Specialised SSI/SME branches

Public sector banks have been advised to open at least one specialised branch in each district. Further, banks have been permitted to categorise their SSI general banking branches having 60 per cent or more of their advances to SSI sector as Public sector banks have been advised to open at least one specialised SSI branch, in order to encourage them to open more specialised SSI branches for providing better service to this sector as a whole.

As per the policy package announced by the Government of India for stepping up credit to SME sector, the public sector banks will ensure specialized SME branches in identified clusters/centres with preponderance of small enterprises to enable the entrepreneurs to have easy access to the bank credit and to equip bank personnel to develop requisite expertise.

The existing specialised SSI branches may be also be redesignated as SME branches. Though their core competence will be utilized for extending finance and other services to SME sector, they will have operational flexibility to extend finance/render other services to other sectors/borrowers.

Delayed Payment

Under the Amendment Act, 1998 of Interest on Delayed Payment to Small Scale and Ancillary Industrial Undertakings, penal provisions have been incorporated to take care of delayed payments to SSI units which inter-alia stipulates a) agreement between seller and buyer shall not exceed more than 120 days, b) payment of interest by the buyers at the rate of one and a half times the prime lending rate (PLR) of SBI for any delay beyond the agreed period not exceeding 120 days.
